```

> ramarobinsids[ramarobinsidschanges]();
*****
*
*
* ramarobinsids package version 0.1 - Sat, Aug 06, 2016
3:58:35 PM
* ramarobinsids package version 0.2 - Wed Jul 18 11:24:36 EDT
2018
* This version tested on MAPLE 2017
*
* Changes since previous version 0.1
*
*     * Added global var noprint to findtype procs

```

```
*
*   * Added ramarobinschanges to package
*
*   * added NEW functions printtype1, ..., printtype10,
*     and printtypelist. These are used to print
*     proven identities in the worksheet after
*     findtype* has been run especially with noprint=true
*
*   * Fixed bug in latexprinttype6
*     (old version wrong in case nL=1)*
*
